Referenced communication furnished a letter captioned "Des Moines SLA" and signed "SLA," which was addressed to County Attorney, Attention: [REDACTED] which stated "The SLA did not die in vain...six law makers must pay with their life...world leaders are mentally ill...they must be destroyed...time has come to kill world leaders for crime in high places." [REDACTED] did not know who sent the letter or why. Two Omaha sources in the Des Moines area advised that there is no SLA organization in that city. The Des Moines, Iowa, Police Department Intelligence Unit advised that there is no SLA in Des Moines. A police source indicated that [REDACTED] a young, mentally disturbed, black male, possibly was author of letter.

Numerous letters of this sort are being received throughout the country; however, there have been no indications of SLA organization outside of California.

This has been coordinated with Supervisor [REDACTED]  
General Investigative Division.

This investigation was predicated on receipt of a letter to Mr. Clarence Kelley, Federal Bureau of Investigation, dated May 23, 1974. The letter began by stating, "The SLA has not died in vain." The letter made threats to individuals possibly identical to President Richard M. Nixon, Clarence M. Kelley, Director, Federal Bureau of Investigation (FBI), and Senators Mike Mansfield, Montana; J. W. Fulbright, Arkansas; and Hugh Scott, Pennsylvania. The letter was signed "Friends of the SLA." Similar type letters all signed "Friends of the SLA" were also received by the National Lawyers Guild (NLG), Washington, D. C., and the New York Times.

The Symbionese Liberation Army has characterized itself as a united and federated grouping of members of different races and people and socialist political parties of the oppressed people of The Fascist United States of America, who have under black and minority leadership formed and joined the Symbionese Federated Republic and have agreed to struggle together in behalf of all their people and races and political parties interest in the gaining of Freedom and self determination and independence for all their people and races.

National Lawyers Guild is an organization of lawyers, law students and non-professional youth working for radical change of the social, economic and judicial systems in the United States. The CPUSA no longer has any influence over the NLG.

The letters all stated that the Symbionese Liberation Army (SLA) did not die in vain and that six law makers must pay with their lives. The letters were written in cursive, were poorly written and were grammatically incorrect. The envelopes contained a postmark dated May 23, 1974, at "Iowa 500." Inquiry at the Des Moines, Iowa, Post Office disclosed that letters bearing "Iowa 500" postmark could have been mailed at any of 200 small town post offices in Central Iowa as well as Des Moines, Iowa. The letters were forwarded to the Laboratory of the Federal Bureau of Investigation (FBI), Washington, D. C., for examination. The FBI Laboratory reported that characteristics observed determined that the questioned writing on the SLA letter received by [REDACTED] Polk County Attorney, was probably prepared by the writer of comparable portions of other letters previously submitted; although, due to the lack of sufficiently comparable writing, a definite conclusion was not reached in that regard. Examination of the letters by the FBI Laboratory failed to disclose indented writing of value, watermarks or other characteristics that would aid in identifying the source of the letters.

b6 -2  
b7C -2

Sources who have furnished reliable information in the past and are familiar with extremist activities in the Des Moines, Iowa, area advised that there was no SLA in the Des Moines, Iowa, area and that they had no idea who could have been representing themselves as the "Des Moines SLA."

This case was discussed with Allen Lee Donielson, United States Attorney, Southern District of Iowa, Des Moines, Iowa, on June 4 and 11, 1974. United States Attorney Donielson advised that in his opinion, this matter did not warrant prosecution because the letters do not appear to be serious threats, the ability on the part of the writer to carry out the threat seems remote and the letters are more in the nature of remarks by an irate citizen voicing complaints about the Government in general.

The following is a copy of the letter received by [REDACTED] which appeared to be similar to other letters received:

RE: UNSUBS, AKA SLA

NOTE: This concerns threatening letter addressed to the Director, FBI, postmarked 5/24/74, Des Moines, Iowa, and signed "the SLA." Letter also contains threats against President Nixon and to individuals believed identical to Senators Hugh Scott, Mike Mansfield and J. W. Fulbright. Omaha has been instructed to present this matter to the U.S. Attorney and thereafter institute appropriate investigation. Leads have been set forth for Butte, Little Rock and Philadelphia to notify offices of above Senators and other agencies of threats made against them. Original extortion letter and envelope have been submitted for appropriate examinations. Communications subsequently received from New York and WFO indicates those offices are in receipt of letters identical to the above letter received by the Bureau. This is to advise New York and WFO of the letter received by the Bureau and that Omaha has been designated office of origin in this case.

Result of examination:

Q20 through Q22 were associated with this case as a result of a search of the Anonymous Letter File.

Characteristics observed indicate that the questioned writing on Q20 through Q22 was probably prepared by the writer of comparable portions of the questioned writing on Q1 through Q19, previously submitted; although due to the lack of sufficiently comparable writing, a definite conclusion was not reached in this regard.

b6 -3  
 b7C -3

A definite conclusion was not reached whether the questioned writing on Q1 through Q22 was prepared by [redacted] FBI # [redacted] whose signatures appear on fingerprint cards, due to the lack of sufficiently comparable known writing.

A definite conclusion was not reached whether the questioned writing on Q1 through Q22 was prepared by any of the writers of the unidentified questioned writing, known writing or purported known writing on items submitted in

case captioned "HEARNAP" or case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM", due to the lack of sufficiently comparable writing and the presence of unexplained variations. However, nothing of particular significance was observed in this comparison.

Q20 through Q22 contain no watermarks, indented writing of significance or other characteristics to aid in definitely determining their source. A ten cent U.S. Postal Service stamp, torn from a booklet of stamps, is affixed to Q20.

Q20 through Q22, which have been photographed, are being returned separately.

Title: UNKNOWN SUBJECT, also known as  
Friends of the SLA;

CLARENCE M. KELLEY, Director, FBI - VICTIM

Character: THREAT AGAINST THE PRESIDENT; CONGRESSIONAL ASSASSINATION STATUTE;

Synopsis: FBI Director CLARENCE M. KELLEY; National Lawyers Guild (NLG), Washington, D. C.; and "New York Times", New York City, New York, all received letters dated 5/23/74 postmarked Des Moines, Iowa, signed "Friends of the SLA" (Symbionese Liberation Army). All letters begin "The SLA did not die in vain" and contain threats to kill President NIXON, U. S. Senators SCOTT, MANSFIELD and FULBRIGHT, and FBI Director KELLEY. In addition, letters state "Six lawmakers will pay with their lives". Polk County Attorney [REDACTED] Des Moines, Iowa, received similar letter dated 5/24/74. All letters searched through FBI Anonymous Letter File without effecting an identification. FBI Lab unable to determine any indented writing, watermarks or other characteristics of value which would aid in identifying source of material. FBI Lab concluded that comparable parts of letters received by FBI Director, NLG, "New York Times" and Polk County Attorney [REDACTED] probably were written by the same person. Latent fingerprints developed on letter received by FBI Director lack sufficient detail for fingerprint search. Latent prints developed on NLG and "New York Times" letters but not identical with prints developed in SLA-PATRICIA HEARST case, or with fingerprints of [REDACTED] FBI # [REDACTED] Des Moines, a mentally disturbed black male who has made threats to kill police officers. No prints developed on letter received by

Result of examination:

Q20 through Q22 were associated with this case as  
a result of a search of the Anonymous Letter File.

Characteristics observed indicate that the questioned  
writing on Q20 through Q22 was probably prepared by the

lack of sufficiently comparable writing, a definite conclusion  
was not reached in this regard.

A definite conclusion was not reached whether the  
questioned writing on Q1 through Q22 was prepared by [redacted]  
[redacted] FBI # [redacted] whose signatures appear on fingerprint  
cards, due to the lack of sufficiently comparable known  
writing.

A definite conclusion was not reached whether the  
questioned writing on Q1 through Q22 was prepared by any of  
the writers of the unidentified questioned writing, known  
writing or purported known writing on items submitted in

case captioned "HEARNAP" or case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM", due to the lack of sufficiently comparable writing and the presence of unexplained variations. However, nothing of particular significance was observed in this comparison.

Q20 through Q22 contain no watermarks, indented writing of significance or other characteristics to aid in definitely determining their source. A ten cent U.S. Postal Service stamp, torn from a booklet of stamps, is affixed to Q20.

Q20 through Q22, which have been photographed, are being returned separately.

Opinion of United States Attorney

On June 4, 1974, United States Attorney ALLEN L. DONIELSON, Southern District of Iowa, Des Moines, Iowa, advised he was of the opinion this matter would not warrant prosecution because the letters did not appear to be serious threats, the ability on the part of the writer to carry out the threats seems remote and the letters (which are similar in content) are more in the nature of remarks by an irate citizen voicing complaints about the government in general.

Miscellaneous

As a matter of additional information, the Omaha FBI Office conducted a prior investigation concerning a similar anonymous letter dated November 15, 1973, sent to "Moore and Scalise" (Chief Justice C. EDWIN MOORE, Iowa Supreme Court and LAWRENCE SCALISE, former Iowa Attorney General and now a practicing attorney in Des Moines, Iowa). A copy of this letter follows:

**Result of examination:**

The questioned writings on Q24 through Q30 were compared with the questioned writing on specimens Q1 through Q22 submitted previously in this case. Significant characteristics in common were noted in the comparable areas of writing on specimens Q24 through Q30 and Q1 through Q22 which indicate that these items were probably prepared by the same writer. The questioned writing on items in this case have not been identified with any known person.

The typewriting on Q23, although limited, most closely corresponds to an Olivetti style of type having a spacing of 2.23 mm per letter.

The submitted evidence, which has been photographed, will be returned separately.

OO: OMAHA

Re Bureau airtel to Omaha, Alexandria, Charlotte, Los Angeles and WFO dated 3/6/75; and Bureau letter (Lab Report) to Omaha dated 3/12/75, copies to Alexandria, Charlotte, Los Angeles, New York and WFO.

Enclosed herewith for the Bureau is a three-page letter and the envelope in which it was received. b6 -1,3  
b7C -1,3

For the information of the Bureau, [redacted] [redacted] was interviewed at the FBI Resident Agency, Des Moines, Iowa, on 3/24/75, by SA [redacted] at which time she admitted writing the letter to captioned individuals and further admitted writing several letters in the past.

The FBI Laboratory has conducted previous laboratory examinations relative to captioned case under Laboratory number D-750307033-NV.

The letter enclosed herewith for the Bureau was received at the FBI Resident Agency, Des Moines, Iowa, on 4/1/75, and obviously, is signed by [redacted] apartment number [redacted] Des Moines, Iowa. The letter contains no apparent threat of bodily injury to any individual, but examination of the letter reflects it is of the same type previously received relative to captioned violation.

b6 -3  
b7C -3

U. S. District Court Judge WILLIAM C. HANSON, SDI, Des Moines, Iowa, was interviewed by SA [redacted] [redacted] at his office in Des Moines subsequent to his return from Kansas City, Missouri. Judge HANSON stated that

b6 -1  
b7C -1

he did in fact recently receive a letter threatening his life and the lives of numerous other individuals and he feels it is entirely possible he received the original of that letter.

Judge HANSON deemed the letter to have been written by a mentally-disturbed person and he paid it little heed, noting that he has received letters in the past from individuals considered by him to be mentally unbalanced. He was, however, slightly concerned because the letter threatened not only his life, but also the lives of numerous other individuals. He turned the original of the letter over to [redacted] Security Officer, U. S. District Court, Kansas City, Missouri.

b6 -5  
b7C -5

b6 -1,3,5  
b7C -1,3,5

SA [redacted] U. S. Secret Service, Des Moines, Iowa, has advised SA [redacted] that his agency is aware of the identity of [redacted] as the individual who wrote letters in captioned case and previous similar matters.

He commented that he has interviewed her in the past, previous to the date he assisted SA [redacted] in interviewing her, and he is definitely of the opinion that she is mentally unstable.

b6 -1  
b7C -1

The facts of this matter have been discussed with ALLEN LEE DONIELSON, USA, SDI, Des Moines, who has indicated that he would not consider prosecution of [redacted] relative to the letter she wrote in captioned investigation or letters she has written as mentioned in previous investigations. He further indicated that he would not authorize prosecution of [redacted] for letters she might write in the future and he is definitely of the opinion, through close scrutiny of the letters, that [redacted] is victim of some type of mental aberration and, in Mr. DONIELSON's opinion, the facts contain nothing which would demand further investigation relative to [redacted]

b6 -3  
b7C -3

The Omaha Division, even though it is felt that review of enclosed letter makes it readily apparent that

[ ] is the individual who wrote the letter in captioned matter and in previous matters and even though [ ] has admitted writing the letters, it is requested of the FBI Laboratory to make an examination of enclosed letter and compare it to previous letters to positively establish her identity as the individual who has written the letters. It is anticipated, even though SA [ ] during interview, cautioned her against the writing of future letters, that she will continue to write threatening letters and it is felt necessary that it be positively established that she is the person who wrote the letters. It will, thereafter, be possible for future investigations to be very easily handled as it is felt there will be apparent similar letters from [ ] and the USA, SDI, Des Moines, has issued a blanket declination relative to letters written by her.

b6 -1,3  
b7C -1,3

The FBI Laboratory is requested to compare handwriting of enclosed three-page letter with previous handwriting received relative to captioned investigation and previous investigations, as mentioned in Bureau Laboratory Report to Omaha dated 3/12/75, and to advise Omaha and interested offices of results of the examination. The Laboratory, upon receipt of same from the Kansas City Division, will also conduct similar investigation relative to the original of a letter received by U. S. District Court Judge WILLIAM C. HANSON.

LEADS

CHARLOTTE DIVISION

AT MONTREAT, NORTH CAROLINA

Will forward to the Omaha Division for inclusion in report, FD-302 results of interview with [ ]

b6 -3  
b7C -3

KANSAS CITY DIVISION

AT KANSAS CITY, MISSOURI

Will make contact with [ ] Security Officer, U. S. District Court, Kansas City, Missouri, and obtain original of threatening letter turned over to him by U. S. District Court Judge WILLIAM C. HANSON.

b6 -5  
b7C -5

Will then forward same for laboratory examination to FBI Laboratory.

OMAHA DIVISION

AT DES MOINES, IOWA

Will, upon receipt of investigative results from auxiliary offices, and upon receipt of results of laboratory examinations, will forward closing report relative to captioned matter.

Information copies of this communication being forwarded offices in order those offices might be aware of the identity of [ ] as the individual who has written threatening letters in the past.

Mr. WILLIAM C. HANSON, Federal Judge, U. S. District Court, Southern District of Iowa (SDI), Des Moines, Iowa, was contacted by Special Agent (SA) [REDACTED] Federal Bureau of Investigation (FBI), relative to an anonymous letter possibly received by him or or about March 1, 1975, which letter begins with wording "Warning" "To who it concerns" "Time has come to tell the U. SA [REDACTED] displayed to Judge HANSON a copy of the above-described letter, which copy was addressed to the FBI, Washington, D.C. b6 -1 b7C -1

Judge HANSON, after reviewing the copy of the letter, stated that it is his recollection he received a similar letter, and possibly the same letter, on or shortly after March 1, 1975, at his office in Des Moines, Iowa. He considered it very possible that the letter he received was exactly the same as the copy displayed to him and further stated that he very possibly actually received the original of the letter as he recalls possibly having observed some red pencil markings on the letter received by him.

Judge HANSON stated that he did not pay close attention to the letter until he arrived in Kansas City, Missouri, where he again reviewed the letter. He advised that he frequently receives letters from individuals who are, to him, apparently unstable and he seldom becomes concerned about the letters, but recalls that he was slightly concerned about the above-described letter in that it threatened not only his life, but the lives of numerous other individuals.

Result of examination:

The questioned writings on Q24 through Q30 were compared with the questioned writing on specimens Q1 through Q22 submitted previously in this case. Significant characteristics in common were noted in the comparable areas of writing on specimens Q24 through Q30 and Q1 through Q22 which indicate that these items were probably prepared by the same writer. The questioned writing on items in this case have not been identified with any known person.

The typewriting on Q23, although limited, most closely corresponds to an Olivetti style of type having a spacing of 2.23 mm per letter.

The submitted evidence, which has been photographed, will be returned separately.

to hear a bunch of Doctors talk  
 every one is either Crazy or mental  
 ill & We don't think too much  
 of Doctors when they try to can not  
 learn the truth from a lie

And as for as people being mental ill  
 There is such thing  
 as a mental ill person -

All Doctors - psychiatry - psychology  
 and science,  
 Need their heads examine by  
 a Veterinary psychologist

A mental ill person should say to  
 They

I'll be lying to you people,  
 even the words of the words  
 because they have not heard of  
 words ~~the~~ my words - see to my long  
 but rejected it - see to my long

So what do you get out of learning  
 and teaching Nothing  
 Because people can not learn or learn  
 the difference between the truth and  
 a lie or honest and dishonest  
 and maybe a Doctor

but I'll put my education above you  
any old day.

Education with out brains you  
don't have nothing but a education

People don't need education — as much  
as they need a few brains  
No such people as Communist  
People is Not Mental ill

Joh 13:4 says Doctors is all

Because Doctors is so Mental ill  
they can not tell the different

Specimens received 3/25/75

- Qc31 Photocopy of envelope postmarked "U.S. POSTAL SERVICE 14500 MAR 2 PM 1975" bearing typewritten address "Rev Billy Graham Charlotte, North Carolina 28202" and handwritten notation "Montreat, NC 28757"

- Qc36 Fifth page of seven-page handwritten letter beginning "Now if we don't..."
- Qc37 Sixth page of seven-page handwritten letter beginning "Wicked lawmakers..."

Page 1

(over)

Qc38 Seventh page of seven-page handwritten letter  
beginning "We are sending a copy..."

Result of examination:

Significant similarities were noted in the questioned handwriting on Qc32 through Qc38 which indicate that these items were prepared by the writer of certain items submitted previously in this case of which specimens Q2 through Q12, Q14 through Q19 and Q24 through Q30 are representative.

The questioned writings in this case have not been identified with any known person. The typewriting on Qc31 is too limited to permit an exact classification as to type style.

The submitted evidence, which has been photographed, is returned herewith.

Subject: BILLY GRAHAM EVANGELISTIC WORLD CRUSADE - SAN JUAN, PUERTO RICO (PR), MARCH 7-18, 1995 - SPECIAL EVENT; IT, DT; OO: SAN JUAN

On February 21, 1995, writer met with [redacted]

[redacted] and [redacted] BILLY GRAHAM EVANGELISTIC ASSOCIATION who furnished writer the following information with regard to the above captioned event:

b6 -5  
b7C -5

During the dates of March 14-18, 1995, BILLY GRAHAM will be conducting evangelistic meetings at the HIRAM BITHORN Stadium in San Juan, PR. This is an outdoor stadium which will seat over 30,000 when extra seats are added to the infield.

In addition to these public meetings, the BILLY GRAHAM EVANGELISTIC ASSOCIATION will host a three day Christian Worker's Conference during the dates of March 8-10, 1995, at the ROBERTO CLEMENTE Coliseum which is adjacent to the HIRAM BITHORN Stadium. Over 2,000 people are expected to attend this activity.

During the dates of March 16-18, 1995, the meetings from San Juan will be sent via satellite to 188 countries representing 2,741 satellite reception locations in 116 languages. The estimated nightly audience worldwide is 9,974,499. Additionally, the BILLY GRAHAM ASSOCIATION plans to place a 1 hour TV program on prime-time in 100 nations.

During the next few days a massive advertising campaign will commence worldwide making the public aware of both the global event as well as the local satellite reception venues in each of the 188 countries. The media is expected to descend on San Juan in large measure to cover this event. Representatives of CNN, ABC, NBC, CBS, BBC, AP and Reuters are planning to give headline coverage. In fact, many from the international TV, radio, and newspaper media will be in attendance.

This type of public meeting has drawn massive attention from the general public worldwide as well as in PR. In some parts of the world outright opposition is expected, especially in the Middle East. The following nations in the Middle East are participating via satellite with public meetings planned:

Israel - Hebrew and Arabic languages

Jordan - 10 venues

Syria - 5 venues

Lebanon - 14 venues plus some TV

Egypt - 90 venues planned with possibly 200

Sudan - Delayed video tape (supplied by Egypt)

Libya - " " " " " "

Algeria - " " " " " "

Tunisia - Recorded and delayed

Morocco - 3 venues

Mauritania - 1 venue plus video tape later

Iraq - Delayed video - supplied by Jordan

Arabian Peninsula/ Gulf States - Delayed video supplied by Egypt

Given the continued opposition by the Muslim nations to the type of message BILLY GRAHAM preaches, the government's knowledge in each country of the event, recent activity by Islamic radical groups and the presence of a large Muslim population in PR, are of concern with regard to the safety of BILLY GRAHAM and the public attending the crusade, and the success of the worldwide satellite transmission.

In addition, to these concerns, there are certain individuals who have come to the attention of the BILLY GRAHAM ASSOCIATION which give cause for concern.

[redacted] has made telephone contact with [redacted] who has expressed an interest in "getting close" to BILLY GRAHAM. He has asked many detailed questions concerning Mr. GRAHAM's home in North Carolina, his whereabouts in San Juan and the number of staff who would be surrounding Mr. GRAHAM.

b6 -3,5  
b7C -3,5

In each of the dozen phone conversations [redacted] has had with [redacted] he has expressed a growing anxiety and desperation for his "condition" which he has outlined in his letters.

b6 -3,5  
b7C -3,5

A second person who has made nearly as many inquiries by phone and letter is [redacted] [redacted] has asked if he could on BILLY GRAHAM's personal security detail in San Juan. He plans to be in San Juan the dates of the meetings and wants "very much to meet BILLY in person". [redacted] letters and photograph were turned over to writer.

b7C -3

Given the continued insistence by these two individuals to have a "personal meeting" with BILLY GRAHAM, and taking into account the large Muslim population in PR and the level of involvement of the BILLY GRAHAM ASSOCIATION within over a dozen predominantly Islamic countries, the executive committee of the BILLY GRAHAM crusade believes that there is a great potential for terrorist acts to be carried out to disrupt the activities in San Juan.

In view of the above, writer recommends that a 185B matter be initiated in order to further evaluate the possible threats of criminal or terrorist activity with regard to the above captioned matter.

The cost of the history-making satellite transmission of Billy Graham's Global mission from March 14 - 18 is about \$25 million — a sum paid by Graham's supporters.

"With an audience of a billion people, [the cost] comes down to four cents per person attending or viewing the global mission," said Larry Ross, director of Media/Public Relations for the Billy Graham Evangelistic Association, based in Minneapolis, Minn.

The transmission is paid by donations from U.S. and Canadian followers. The average donation per person to the association is \$20.

In Puerto Rico, the local Billy Graham Evangelistic Association has collected \$250,000 in donations from Puerto Rico evangelical groups.

The Billy Graham Global Crusade has started building a "Global Mission Village," the size of two football fields, on the grounds of Roberto Clemente Coliseum. Ross said the village will contain a dormitory for 60 people, offices for 240 people, and will offer daily catering for 300 people.

A total of 15 tractor trailer loads of equipment and 22 containers of electrical cable are waiting to be set up and plugged in.

Thirteen massive generators will be used to produce enough power so in

case of blackout, the entire preaching, interpretation, editing and transmission operation can continue unaffected, Ross said. He added that several local production companies and construction crews have been hired.

Transportation, installation, and transmission costs, and Graham's travel expenses and accommodations will be covered by the association, Ross said.

The Global Mission will have a 2,000-voice choir, 1,125 ushers, 1,100 religious counselors, 725 follow-up workers that will process the cards of those people invited to come forward to make a commitment to Christ.

# Graham predicts trials on road to spirituality

By MARTY GERARD DELFIN

Of the STAR Staff

The Rev. Billy Graham predicted on Tuesday that the world is approaching a "critical, crucial time" in which more people will turn to spirituality.

But Graham said he can offer hope to Puerto Rico, not necessarily solutions, through his preaching to growing problems he listed such as violence, drugs, AIDS and poverty.

"There are many people in high places — in the academic world, in the political world, and in the social world — that feel that the problems are getting out of control. And the world is coming to some climactic moment. Could it be the coming of Christ? Or could it mean that we're going to have a great spiritual revival because our problems are basically morally inspired, and this is what we've come to emphasize," he said.

At a news conference, Graham acknowledged that many of his believers have suggested that next week's global crusade — which will bring more people together for the first time to hear the gospel — is a precursor to the end of the world.

While he said he couldn't side with such conjectures, Graham pointed to the reference in the Book of Matthew that speaks how the Second Coming shall occur after "the preaching of the gospel to the whole world."

"From Puerto Rico this gospel will go out to the whole world. Is this a sign that the end of the age is near? I cannot say. Jesus warned us against speculating. But

we know that we're nearer than when he said that about 2,000 years ago," Graham said.

It was his first meeting with the media since arriving here to prepare for the four-day crusade beginning March 14 at the Hiram Bithorn Stadium in Hato Rey.

The 76-year-old internationally-known Baptist pointed to the island's bilingual community as one of the main reasons why Puerto Rico was selected by his Evangelistic Association. Technically, the island was also chosen because its geographical position gives it good communications satellite access.

An estimated 1 billion people will see and hear Graham live in more than 165 countries.

"People have asked me what do you intend to say. My message has not changed after all these years. The gospel of Jesus Christ. It means good news; good news that God loves you and is interested in you," he said.

Graham explained that his work will have just begun after the last broadcast from Puerto Rico is transmitted. Thousands of video tapes will go out to communities throughout the world, and missionary workers will follow up with visits, he said.

At the hour-long news conference at the Government Reception Center, Graham was asked a host of questions ranging from his political views to who he thought was holier: Gov. Rosselló or San Juan Mayor Héctor Luis Acevedo.

The evangelist, who met separately with the two on Monday, said he found

From Page 2.

## Graham

both leaders "morally and socially" conscientious about the problems facing the island. Graham said that Rosselló and Acevedo also expressed interest in attending the crusade.

On politics, Graham said he has never tried to criticize or condemn any political system in the 100 countries he has visited, citing his successes in being able to enter the former Soviet Union and the Eastern Bloc without any problem.

A friend to 10 U.S. presidents, Graham also distanced himself, when asked, about being affiliated with either the Republicans or Democrats.

Queried if he would retire after this crusade, Graham said, "I don't find anywhere in the Bible where anyone retires."

Graham, who has been preaching for more than 50 years, said he would wait until he gets to heaven for the "ultimate evaluation" of his work. He did mention what calls his only near death experience.

It occurred during his 1967 visit to Puerto Rico when he drove the wrong way on a one-way street. "I learned about vehicles that I thought only my kids knew."

Holding a Bible, the Rev. Billy Graham says his spiritual message can offer hope in coping with the problems of violence, drugs, AIDS and poverty.

Re Los Angeles letter to Bureau 5/2/85.

A review of Minneapolis indices reveals the following information, which is the only information available to Minneapolis concerning threats directed at the Reverend BILLY GRAHAM:

In January, 1981, the BILLY GRAHAM EVANGELISTIC ASSOCIATION, Minneapolis, Minnesota, received a two-page letter addressed to WILLIAM FRANKLIN GRAHAM, which made threatening statements concerning GRAHAM, PERRY COMO, and FRANK SINATRA. The letter was signed by CHARLES OTTO FOX, 66 West Van Buren Street, Chicago, Illinois. Investigation has revealed that FOX is well known to the U.S. Secret Service in Chicago and Washington, D.C., and he is described as a white male in his seventies, who is a chronic letter writer, who frequently writes threatening letters to important individuals both in and out of Government. Investigation conducted by the Chicago Division of the FBI determined that FOX is a well-known chronic letter writer with harmless and unstable behavior. Chicago also determined that FOX has a previous history and immense propensity for writing threatening letters to important political and celebrity-type individuals. Numerous efforts by Chicago to locate and interview FOX met with negative results.

The above facts were presented to the U.S. Attorney, Minneapolis, Minnesota, and prosecution was declined.

Minneapolis considers this matter RUC.

The OCFO is advised to closely plan and coordinate its crisis management activities with local, state and federal agencies that are providing security and consequence management support for captioned event. This should be standard practice for any special event but is even more critical in light of the recent acts of terrorism committed in the United States.
